I am a one-man-band act that performs Jimmy Buffett Music, Tropical Music, Beach Party Music and Classic Rock.

I play acoustic and electric guitars and sing and play along with backing music I recorded totally myself. You get the sound of a full band with one performer !

I'm perfect for clubs, restaurants, pool parties graduations, community events and birthday parties. I can play at any volume and since there is just one of me, I can fit in just about any corner of your venue. With over 200 songs I can play, I can mix and match the songlist for about any kind of event. This kind of music appeals to all ages from college-age to baby boomers.
