Introducing a new "LASER TECHNOLOGY SHOOTING GALLERY." This game is excellent for people of all ages. See if you can hit all 20 western targets and "LISTEN" to the display of sounds and "WATCH" the action that takes place.

"Sheriff Cactus Jack" rocks in his rocking chair, will give a "Yahoo!" and moves his head as he coaxes all the players to get a great score. Keep your eye on the rattlesnake and the boots. There is plenty of activity around the jail cell and porch.

Competition is made fun with an automatic score keeper connected to every firing position (4 in all) and players get their choice of a pistol or three rifles. All firing positions are laser signals. See if you can outscore your partner!
